

## PROGRAMMING IMPLEMENTATION - KPIs

08/01 - 24/01

| Date        | Name                                | Lesson Ref | Lesson Seq                               | Check |
|-------------|-------------------------------------|------------|------------------------------------------|-------|
| 9-Jan-2025  | 1 Programming Principles & Concepts | 1.1        | What are Computer Programs?              |       |
| 9-Jan-2025  | 1 Programming Principles & Concepts | 1.2        | What are Programming Languages?          |       |
| 10-Jan-2025 | 1 Programming Principles & Concepts | 1.3        | What are Algorithms?                     |       |
| 10-Jan-2025 | 1 Programming Principles & Concepts | 1.4        | What is debugging?                       |       |
| 13-Jan-2025 | 2 Variables                         | 2.1        | Introduction to Variables                |       |
| 13-Jan-2025 | 2 Variables                         | 2.2        | Numbers                                  |       |
| 14-Jan-2025 | 2 Variables                         | 2.3        | Strings                                  |       |
| 15-Jan-2025 | 2 Variables                         | 2.4        | Debugging                                |       |
| 16-Jan-2025 | 3 Logic                             | 3.1        | Booleans                                 |       |
| 16-Jan-2025 | 3 Logic                             | 3.2        | Comparison Operators                     |       |
| 17-Jan-2025 | 3 Logic                             | 3.3        | If/Else Statements                       |       |
| 17-Jan-2025 | 3 Logic                             | 3.4        | Debugging                                |       |
| 18-Jan-2025 | 4 Data Structures                   | 4.1        | Lists                                    |       |
| 18-Jan-2025 | 4 Data Structures                   | 4.2        | Dictionaries                             |       |
| 18-Jan-2025 | 4 Data Structures                   | 4.3        | Debugging Datastructures with print      |       |
| 19-Jan-2025 | 5 Loops                             | 5.1        | Loops                                    |       |
| 19-Jan-2025 | 5 Loops                             | 5.2        | Debugging loops                          |       |
| 20-Jan-2025 | 6 Functions                         | 6.1        | Functions                                |       |
| 20-Jan-2025 | 7 Coding Best Practices             | 7.1        | Coding Best Practices                    |       |
| 21-Jan-2025 | 8 Requirements and Testing          | 8.1        | Introduction to Requirements and Testing |       |

|             |                            |     |                                    |  |
|-------------|----------------------------|-----|------------------------------------|--|
| 21-Jan-2025 | 8 Requirements and Testing | 8.2 | Requirements                       |  |
| 21-Jan-2025 | 8 Requirements and Testing | 8.3 | Testing                            |  |
| 22-Jan-2025 | Revision                   |     | Go through the rubric and practice |  |
| 22-Jan-2025 | Revision                   |     | Go through the rubric and practice |  |
| 22-Jan-2025 | Revision                   |     | Go through the rubric and practice |  |
| 23-Jan-2025 | MCQ                        |     | Assessment                         |  |
| 23-Jan-2025 | Longform 1                 |     | Assessment                         |  |
| 24-Jan-2025 | Longform 2                 |     | Assessment                         |  |
| 24-Jan-2025 | Viva                       |     | Assessment                         |  |
